

From Mastaba to Pyramid

Read the description of types of pyramid. Match each description with the drawing.

True Pyramid

The tomb was built on a square base. The steps were filled and faced with limestone, giving it a smooth surface.

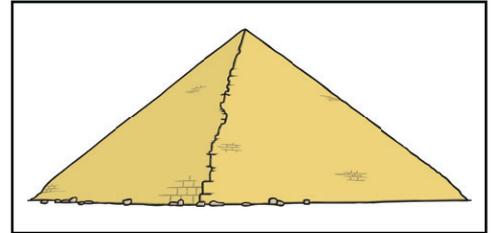

Built _____

Step Pyramid

Layers were added to the mastaba, giving it the appearance of a four-sided staircase.

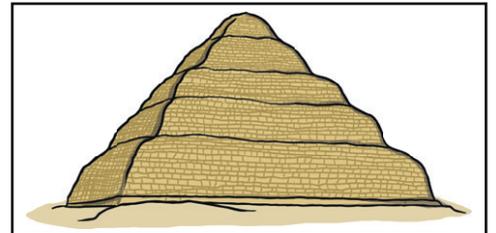

Built _____

Mastaba

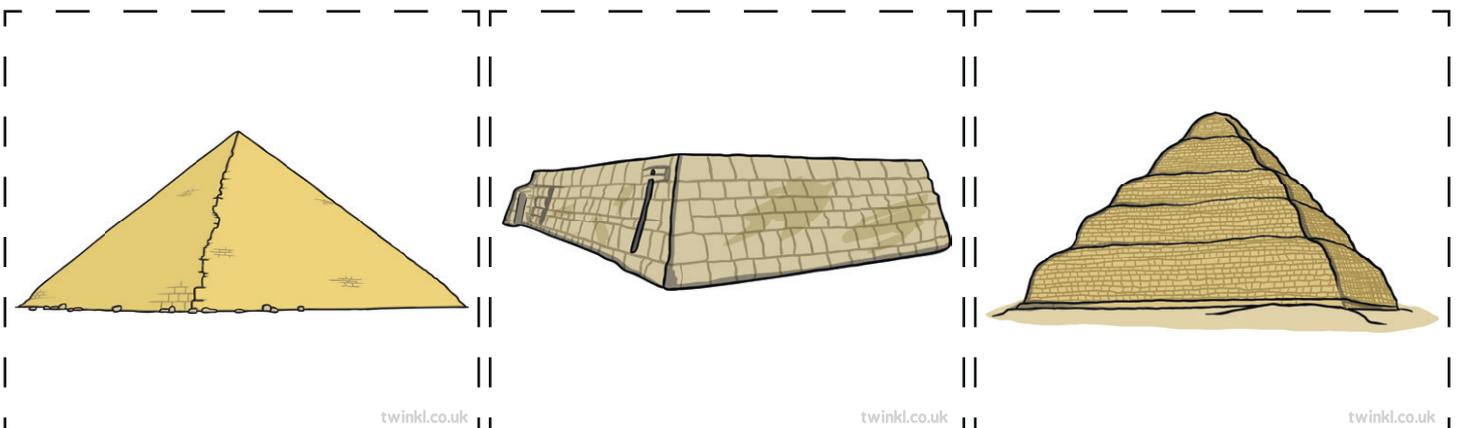

A flat-topped, rectangular building was erected over a burial chamber.

Built _____

Find out when these were built. Cut them out and put them on a timeline.

Why did the designs of the pyramids change?
