

Task 2

If you don't have access to poetry at home, try looking on <https://childrens.poetryarchive.org/>
It is an excellent website where you can access free poetry. It includes the written poem and an audio version (often performed by the author). Explore the website and find a poem that appeals to you.

Task 3

If you aren't sure how to write an acrostic poem, watch the video on <https://www.bbc.co.uk/bitesize/topics/z4mmn39/articles/ztdvw6f> to give yourself a reminder. If you were doing an acrostic poem on Boreham Primary, you would lay it out like this:
