

Year 4 Home Learning Self Isolating Pack

*THIS HOME LEARNING IS DESIGNED FOR CHILDREN WHO ARE SELF –ISOLATING FOR A CERTAIN PERIOD OF TIME. THERE ARE TWO WEEKS OF WORK INCLUDED IN THIS PACK.
IF YOUR BUBBLE HAS CLOSED, YOUR TEACHER WILL SET WEEKLY HOME LEARNING SHEETS SIMILAR TO THIS EACH WEEK.*

English

Task 1 – Watch a film you haven't seen before, and write a film review on it. Remember to write the positives and negatives, and give it a star rating out of 5.

Task 2 - Find a poem that you enjoy, learn it, and then perform it to people at home. Film it for us to enjoy too.

Task 3 - Write an acrostic poem with your first name and surname.

Task 4 - Create an instructional text on how to cook or bake something. Get an adult to help you. When you've finished it, see if you can follow the instruction text to see if it works.

Task 5 - Explore the senses. Find a picture of a real life setting and tell me what you hear, see, touch, taste and feel.

Task 6 - Write a letter to your teacher about an event you would like to put on. It could be a sports event, a music concert... anything!

Task 7 - If you could fly, where would you go and what would you do?

Task 8 - Read the blurb of a book, then predict what might happen at the end. If you have time, see if your predictions were correct by reading it.

Maths

Task 1 – Have a go at rounding to the nearest 1000.

Task 2 – What's my number? Work out the numbers on the sheet!

Task 3 – Solve the place value questions on the sheet provided.

Task 4 – Create a booklet on a range of 2D and 3D shapes, including the properties of each shape. This should help explain the properties to younger children.

Task 5 – Use the inverse (the opposite calculation) to solve the questions on the page.

Task 6 – Double Scoops! Solve the ice cream challenge of different combinations of flavours!

Task 7 – Think of a number! Read the questions and find the number being thought of. Remember to work backwards!

Foundation

Task 1 – Read the information and answer the questions about roman gladiators.

Task 2 – Complete the 'All Around the world' information. You may need an atlas or access to the internet.

Task 3 – Draw a portrait of another person in your household. Be sure to look at their specific features and colour it in neatly.

Task 4 – Complete the 'Explore Beginnings with Beethoven' task and one of your choice on BBC Teach.

Science – There is a handbook full of exciting physics activities you can try at home. Have a go at two different ones.
