

# Year 4 Home Learning

## W/B 13<sup>th</sup> July

### English/Maths

As ever, the BBC Bitesize websites, White Rose Clips and Oak National Academy materials are available for your child to use. If you would like additional materials on top of this, please let me know.

### English Reading

This week children could read the text: Robots and answer questions about it. Answers are provided along with text and questions on our website. In school we would encourage the children to practice reading the text fluently, research any words they are unsure of and discuss anything they know already that might help their understanding of the text before answering comprehension questions.

Dear Year 4,

It has turned out to be a very strange year - the strangest in my 12 years of teaching! It has been really disappointing for me to not be able to complete a whole year with you all and I have missed you all a great deal during lockdown. Hopefully you are all looking forward to as much seeing each other this week as I am looking forward to seeing all of you. You have all worked amazingly hard at home, and I am very proud of each and every one of you. The many weeks since lockdown began haven't been easy for you and it hasn't been easy for your adults at home either. Parents – we all cannot thank you enough for the support you have shown us. You have coped brilliantly in such difficult circumstances. It has been a strange year for all children, parents and teachers, one that we will all look back on in years to come.

For now, have a wonderful summer, enjoy yourselves and continue to be amazing!

Mr Lee

### All About me

Mr Bowyer would like you all to complete a fact file on A3/A4 paper all about you! This could include:

- Information about your family.
- Any hobbies/interests that you have
- What you like/dislike.
- What works well for you
- What other people say about you

Try and include some pictures of some of these things, either printed or hand drawn.

He would like you to bring this in on your first day back in September to share with your new teacher and your class.

*Have fun!*

### Topic – Anglo-Saxon/Vikings

Following the last 6 weeks work on the Anglo-Saxons and Vikings, I would like you to come up with a quiz all about this period of time. Try and include lots of different questions, including multiple choice! Upload them to Seesaw – teachers love a quiz!
