ASPIRATIONS DAY

Last Friday we celebrated childrens aspirations, hopes and dreams for their future. To support the day the whole school were treated to an amazing musical solo performance from Sarah Tucker, who got to the finals of The Voice UK this year. Sarah's Solo vocal performance was extremely moving as she opened our special whole school assembly with 'Edge Of Glory, before talking about her life which included being knocked out of The X Factor aged 23, after impressing

lead judge, Simon Cowell in the first stages. However, Sarah, bounced back, not giving up, to reach the finals of this year's The Voice UK as she finished in an incredible 10th place overall. We were so moved by Sarah's amazing voice that we have invited her back into school for The Boreham Proms!

Throughout the day we were extremely grateful to a number of parents who gave up their time to come in to school to talk to classes about their job and careers. Once again HUGE thanks to the following parents who made our Aspirations Day a successful one. Finally, thanks to Mrs Hayes, (RE Subject Lead) for organising this special day.

CHELMSFORD CITY FC VISIT

On Tuesday afternoon we were delighted to welcome club officials from Chelmsford City Football Club, including former professional footballer, Chris Whelpdale.

337 appearances and 42 goals, in the Football League for Peterborough United, Gillingham, Stevenage and AFC Wimbledon

Chris talked to the Year 2-6 classes about his journey to becoming a professional footballer, aged just 19 and how his career has progressed, finally leading him to join Chelmsford City FC. Chris did a Q and A session for the children, who asked some thoughtful questions. Pictured below is Chris and Luke Owers, Chairman of Chelmsford City Supporters with some of our junior children.

Some of our children and Mr Bowyer were given the opportunity to come up with a new goal celebration for the players to use! Mr Bowyer's 'Boreham Banana Boat' goal celebration was the most popular celebration with the children!

CHESS HOMELESSNESS ASSEMBLY

'Chess', a charity organisation based in Chelmsford, who support people who are homeless have been visiting our school over the last couple of weeks to lead our whole school Buddy Assembly on a Monday morning. During this week's assembly the children discussed why it is not always a good idea to directly give money to somebody who is homeless and that it is best to give money directly instead to an organisation, like Chess, who can use the funds to support homeless people with their own specialist staff.

LATENESS PARENTS REMINDER

This week we have had many parents/carers bringing their children into school late. It is very important for the children's education that they arrive on time to school on a daily basis and are encouraged from an early age by their parents about the importance of being on time, especially in readiness for transition to High School.

Class teachers open their doors at 8:45am and children are expected to be in class completing spelling or handwriting tasks at their desks by no later than 8:50am. Any children arriving after this time will need to enter the school via the school office to sign in using the lateness record book.

Parents who bring their children persistently late into school without a valid reason could become subject to a referral to the Local Authority School Attendance Team.

WHERE OH WHERE IS BOREHAM BEAR?

This week Boreham Bear welcomed Emma Wylie, the new Reverend of St. Andrew's Church into our school. Emma toured the school, meeting staff and children and will be leading her first service for the school at our Harvest Festival on Thursday 11th October. Emma will be back in school on Monday 14th October to lead a special whole school assembly too. We extend a warm welcome to Emma and her family into our school community.
