Date: Friday 25<sup>th</sup> June 2021

*'Daring to aim high, scale new heights, spread our wings and fly far'*

Our children have been enjoying National Sports Week and have been taking part in various sporting activities across the week before today's Sports Day. Although we were just able to get through our morning events before the rain set in, unfortunately I had to cancel this afternoon's track events because the field was just too wet and unsafe for running on. **The new date for the track events will be the morning of Friday 9<sup>th</sup> July.**

We've had much fun outside this week, not least our Year 6 class on Wednesday afternoon, as they enjoyed their Year 6 leavers' water fight!

Next Friday is our school sponsored silence. Please do all that you can to support your child in gaining as much sponsorship as they can which will go directly towards improving the resources for our children outdoor areas.

Have a lovely weekend,

Mr Bowyer

## CATHY'S KITCHEN

This week meet our wonderfully talented new Catering Manager, Cathy Shomade

### My Likes

I am a MASSIVE Wham fan! (If the children ask me nicely, I will do the Wham rap for them!)  
I like reading and cycling and of course cooking!

### My dislikes

Rudeness, spiders and heights!

### What works well for me?

Working well as a team.

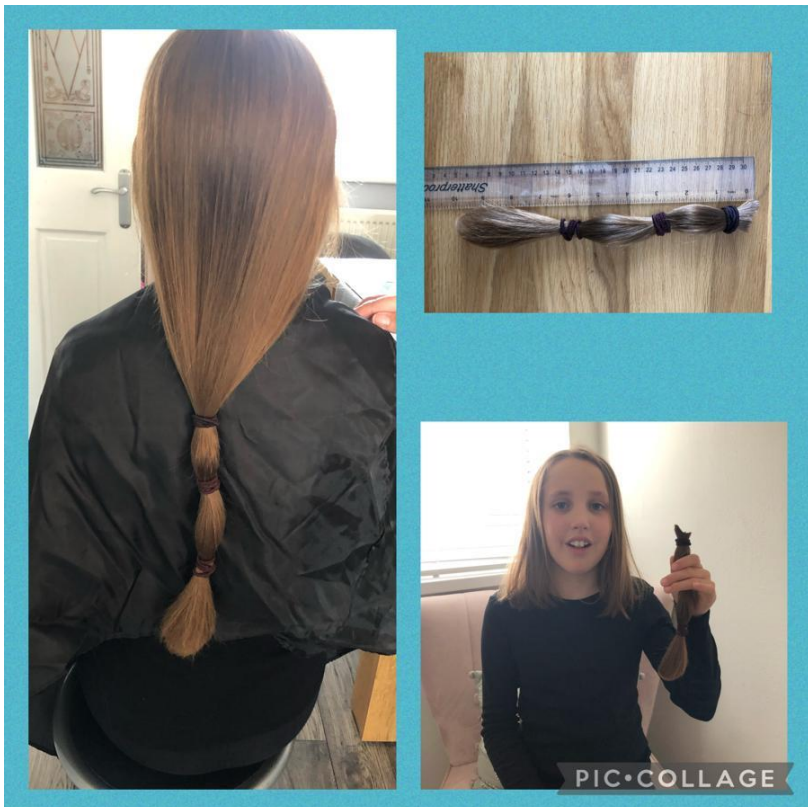

### People who know me say I am...

A great person to go to if they have a problem.

### And finally, what dishes do you enjoy cooking the most?

You eat with your eyes first - so I like to produce food with lots of colour!

## BELLA DONATES HER OWN HAIR FOR CHARITY

Very well done to Bella in Year 5, who for the second time, has donated 9 inches of her hair to The Little Princess Trust. Bella's hair will be used to make wigs for children with illnesses which causes them to lose all of part of their hair.

We are so very proud of Bella!

## CARMA THE CHAMELEON

Unfortunately, our beloved Carma has been feeling poorly for a couple of months and having taken her to a specialist vets, we have been told that Carma is 'egg-bound'. She has 8 eggs in her tummy and we are doing all that we can to make her as comfortable as possible to encourage her to lay her eggs. For the time-being we have moved Carma to a much quieter part of the school. We will keep you updated on her progress.

## GARDENING CLUB

We had a lovely last session. The children helped harvest and clear the remaining broad beans from the Bio-Dome, putting the stalks into the compost bins in the wildlife garden. We then split into three teams for a nature treasure hunt in three key areas; the wildlife garden, Susan the Dragon and the allotment. Sarah had hidden some small wooden shapes and each group had to find them and ensure they had the correct amount on their treasure sheet.

My team managed to find all of the pieces!! Then we had a small party in the allotment, tasting the Elderflower Cordial we made last week and Lynn had kindly made some delicious cookies and cupcakes. Children were given a certificate to mark the end of their Gardening Club experience this term and a small notebook from Lynn.

Mrs Chalk judged the Gardening Club logo competition and chose Catie from Year 3 as the winner. Many congratulations to Catie!

Mrs Fung

Finally, on behalf of the school, I would like to say a **MASSIVE** thank you to Nicola Fung, Lynn Soulsby and Sara Lipscombe for the fantastic experiences that they have organised for our Year 4 Gardening Club members.

Our Gardening Club will return in September for a new year group.
