

Boreham Primary School
A Friendship School

'Learning and achieving together in a caring and creative environment'

Boreham Primary School Governing Body

Governor Profile

Name: Reverend Emma Wylie

I am the vicar of St Andrew's Church here in Boreham and assistant vicar at St Francis' Community Church in Beaulieu. My family and I only moved here in September 2019 and already we are learning how wonderful it is to be part of this community.

I grew up in rural Lincolnshire and it is a joy to return to village life and to bring with me my husband Jake who is from Walthamstow and my two daughters who were born in East London and Southend. Over my working life I've worked on a local newspaper, in a pub, cleaning people's houses, running a second hand book shop, in marketing, setting up and running lots of family community projects, and various other things, I've worked with people from newly born babies to 100 year old ladies and gentlemen, rich and poor, happy and sad, wise and less wise, weak and strong and it is fantastic to have completed my vicar training and have arrived here in this community at this time!

I have not always been a vicar but I have always had a passion for community and building relationships. Both my parents were teachers and I have had a hand in education and working with children on a voluntary basis one way or another throughout my life. The burning desire to see people flourish, to live life to all its fullness is one which drives most of what I do and means that I have a particular interest in working for the wellbeing of pupils, staff and parents as whole rounded individuals and members of the wider community.

Becoming a school governor is a great opportunity to get to know more of you, to hear your stories and the stories of your families, to work together on building each other up and nurturing this community so that we can go out and make a difference in our homes, our villages, our towns, our country and throughout the world.

I am here whether it is in school, on the street, in the shops, in church or at the vicarage to offer support and encouragement, to provide a listening ear and companionship on life's journey whatever your connection with the school, church or village and I can't wait to get to know you all better and to learn from you along the way.
