Children are encouraged to outline their designs neatly in a black handwriting pen too. PARENT CONSULTATION EVENINGS

We look forward to welcoming all parents and children to the forthcoming Parent Consultation evenings, which will be taking place in the main hall next week and for which parents are asked to access via the hall double doors. Please make every effort to attend as this will provide you with a clear insight into how your child has settled into their new class and an opportunity to see their Maths and English books. During the evening we would also ask you to take time to complete our annual parent questionnaire. Your views are extremely important to us and are very valued.

SCHOOL CLUBS REMINDER

A REMINDER TO ALL PARENTS THAT NEXT WEEK DUE TO PARENT CONSULTATION EVENINGS THERE WILL BE NO BEFORE AND AFTER CLUBS. CLUBS

HOT CHOCOLATE FRIDAY

Last Friday was our second week of 'Hot Chocolate Friday'. Across the week, class teachers select one child from their class who has exemplified outstanding behaviour consistently. Last week the children enjoyed discussing their favourite meals over a mug of hot chocolate, marshmallows and chocolate biscuits with Mr Bowyer.

PARENT REMINDERS - LOST PROPERTY

Once again we have a huge amount of lost property, mainly school uniform which has not been claimed in weeks. Children's clothing **must** be clearly labelled with your child's name. It is not possible for us to find or identify lost unnamed items of clothing. Any lost property (also displayed at parents consultation evenings) not claimed by Friday evening will be disposed of over half term.

TABLE OF THE WEEK

Last Friday our lunchtime Table of the Week re-started for the new academic year. Every Friday children who have exemplified superb manners within the dining hall are chosen by our catering and midday assistant teams to sit on the Table of the Week where they are looked after by two Year 6 waiters or waitresses.

HEALTHY HEROES TIP OF THE WEEK

Nutrition Ninja says: "Eat together as a family as often as possible. If you can encourage your children to eat regular meals with you at the table, it can not only reduce snacking, it can also teach valuable social skills."

ONLINE SAFETY TIP OF THE WEEK

What a good social media platform looks like.

WELL DONE EBONNIE!

Many congratulations to Ebonnie in Year 6 who, after attending a recent Under 12 Girls Football Player Development trial run by the Essex County Football Association, was successfully selected to attend a 30 week programme. Although the trial standard was exceptionally high, Ebonnie demonstrated the attitude and ability that the Player Development Centre coaches were obviously looking for. Well done, Ebonnie!

BOYS FOOTBALL MATCH

Boreham 1 - 2 Great Waltham

Despite losing their first game of the season our boys' team put in an absolutely magnificent team performance at home to Great Waltham last Friday. After 10 minutes of the game, Boreham could easily have been 3-0 ahead but the Great Waltham goalkeeper made some excellent saves. Unfortunately, a freak own goal gave Great Waltham the lead. Boreham continued to dominate in the second half but Great Waltham were awarded a penalty after a handball. The penalty was smashed against the crossbar and Jack saved the rebound. Against the run of play, Great Waltham scored again, but Adam scored a fantastic well-taken goal into the bottom left hand corner after a great pass from Callum. It set up a most exciting final 5 minutes. Well done to Great Waltham. Both teams were an absolute credit to their schools.

BOREHAM BOOK OF THE MONTH

When Hitler Stole Pink Rabbit by Judith Kerr

From the author of 'The Tiger Who Came to Tea' and the 'Mog' series this is a classic family story of escape and refuge. This is a semi-autobiographical and unforgettable story, of a Jewish family fleeing from Germany before the start of the Second World War. This is great book for upper KS2 children, especially year 6, who are currently learning about the life of Anne Frank in their WWII topic.

Suppose your country began to change. Suppose that without your noticing, it became dangerous for some people to live in Germany any longer. Suppose you found, to your complete surprise, that your own father was one of those people. That is what happened to Anna in 1933. She was nine years old when it began, too busy to take much notice of political posters, but one day, Anna's father was missing. Then she, herself and her brother Max were being rushed by their mother, in alarming secrecy, away from everything they knew - home and schoolmates and well-loved toys - right out of Germany...

"The most life-enhancing book you could ever wish to read." Michael Morpurgo

This book was read to our Yr 6 class last year by Mrs Hutley. It was also Miss Hill's favourite book when she was in year 7.

YEAR 3B MAKE HEALTHY YOGHURT CAKES

This week, Class 3B have been learning about their immune system. With Mrs Boshell they made healthy yoghurt cakes to encourage good bacteria in our bodies.

PARENT PARKING REMINDERS

We have been disappointed to see a small number of parents parking inconsiderately directly outside of the main school gates. This has included parking on the bend even when cones are placed there to discourage parents from doing so. This week we have also seen cars parked over the dropped kerb opposite the main school gates which is the only safe place for pedestrians to cross. Parents who consider to park dangerously may also be subject to being reported directly to parking law enforcement officers.

ARCHIE RAISES £670 FOR CHARITY!

Archie in Year 3 completed a 5k inflatable obstacle course on Saturday 5th October in aid of the The Brompton Fountain. The Brompton Fountain is a charity for The Royal Brompton Hospital in London which is a specialist hospital for children with heart and lung disorders. Archie's late brother Lincoln was a patient there from before he was born and he wanted to do something to celebrate his brother and help the children that are being treated.

Archie raised an amazing £670 and his hard work will help supply treats for the children, their siblings and parents who spend a lot of time in the hospital. The money he raised may even help continue funding vital resources, support services and medical equipment for the world class children's unit at the Royal Brompton Hospital. Like his parents, the school are **incredibly** proud of Archie for completely this massive course and for raising so much money for a cause that is close to his family's hearts. Well done, Archie! You are a superstar!

CELEBRATING MUSICAL TALENT

Well done to Noah Fung for playing the piano to the whole school this Wednesday. The children really enjoyed listening to him play, well done Noah!

PIC-COLLAGE

HEALTH AND SAFETY ADVICE

Parents of our youngest children need to be aware that grapes, cherry tomatoes, olives and silver skin onions can cause choking in young children due to their size and shape. Although the risk of choking is low, parents of young children are advised to halve grapes, cherry tomatoes, olives and silver skin onions if part of a child's snack or packed lunch.

WHERE OH WHERE IS BOREHAM BEAR?

This week Boreham Bear visited our before school Golf Club. Boreham Bear loves a bit of putting on the green!

PARENT REMINDERS - SCHOOL CLUBS

We have noticed that many of our children doing a before school club outside such as Golf and Running clubs are not bringing in spare socks to change into! Children are therefore having to spend all day wearing wet socks or take them off for us to put on a radiator! Can parents of any children who do a before school sporting club outside ensure in future that they send in a spare set of socks please.
