

Daring to aim high, scale new heights, spread our wings and fly far.

Year 3 Homework Takeaway Tasks

Mighty Metals

Spring 2

English		Maths		Foundation subject	
Find out facts about metals and how they could be recycled. Write a fact file.		Go on a magnetic treasure hunt in your house. How many magnetic objects can you find? What materials are they made from? Present your work in a table.		Design your perfect playground. What equipment would you include? Draw your plan on paper or make a 3D model.	
Research about The Iron Man. Write a menu for what the iron man could eat. The menu should include a starter, main course and pudding.		Collect a receipt, identify which items were the most expensive and least expensive. Were there any that cost the same? What was the difference between the most and least expensive item?		Search the web to find artwork made using metal and make a collage or scrapbook of downloaded images.	
Create a robot character of your choice. What tasks do you think robots could do in the future? What jobs would you like a robot to do in your house? Create a presentation that lasts for at least 30 seconds explaining your robot.		Find 10 objects around your house and measure them. Convert them from cm to mm and m.		Design a 3D robot. Write how you made it and what it is used for	
Challenge activity Write a newspaper report about a Natural Disaster that has occurred in the last year. Make sure it is researched as well.		Challenge activity See your maths teacher for a selection of Reasoning problems to solve at home!		Challenge activity See your teacher/look at the school newsletter to collect a science experiment you can complete at home.	

Reminders

Please ensure you are practising your times tables each day. This can be on Times Tables Rockstars or any method you choose!

Please remember to read at home three times a week or more and record this in your reading record.

Spellings should be practised 5 times a week along with playing Spelling Shed.
