

Boreham Primary School
A Friendship School

'Learning and achieving together in a caring and creative environment'

Boreham Primary School Governing Body

Governor Profile

Name: Mr James Reilly

I am married to Susie and we have three children all of which attend Boreham Primary. Grace (yr6), Jess (yr3) and Maddie now in reception. I have always had a keen interest on how schools do their best to deliver an ever changing curriculum and the challenges that come along in the process. So without actually being a teacher myself (they work far too hard ☺) I took the opportunity to get more involved as a parent governor.

I am a senior Engineer at E2V technologies working on complex imaging systems that end up on satellites orbiting the earth. These devices help us learn more about our planet and our place in the solar system, and may also gain an understanding of what "else" might be out there..... 🕒 (you never know.....)

I have an Engineering Hons degree from Brunel University. I am a keen golfer and enjoy most sports all from the comfort of my sofa of course.....

I am excited to begin my tenure as Parent Governor. I am keen to do whatever I can to contribute and so enable the school and pupils to reach their full potential.
