

## A Year 6 geographer at Boreham Primary School

- I know how to use an atlas by using the index to find places.
- I know how to use some basic Ordnance Survey map symbol and six-figure grid references.
- I collect and accurately measure information (e.g. rainfall, temperature and wind speed).
- I can explain why places are similar and dissimilar in relation to their human and physical features.
- I know how time zones work and calculate time differences around the world.
- I can name the largest deserts in the world and locate desert regions in an atlas.
